from the multi award winning and bestselling author behind the tomorrow series staying alive in year 5 is a monster hit for primary school readers from one of australia s most popular storytellers john marsden scott and his friends are simply staying alive in year 5 until their surprising new teacher mr murlin comes along boring textbooks go into the bin eating chocolate in class becomes compulsory and suddenly it s ok to be weird but mr murlin is not popular with everyone

a completely different approach to the understanding of english the teaching of writing and the practice of writing aimed at secondary school and primary school teachers people teaching writing workshops and anyone who writes

this book stresses learning and teaching over teaching and learning the contributors contend that education should not focus primarily on teachers and teaching but on learners how best to facilitate learning in the most effective enjoyable relevant and cost effective ways for learners at any age the book brings together thoughts and insights by international leaders in the fields of teaching and learning it seeks to build bridges between researchers policy makers and practitioners

the author recounts the experiences of several well known australians with their teachers

darkness is the friend and enemy of those who hunt by night ellie and her friends have found safety after months of fighting but the new zealand defence force needs their help to infiltrate occupied australian territory and so the friends must fight on

john marsden is not just one of australia s most successful writers of all time he s also one of our best teachers of writing highly recommended sun herald the most exciting interesting and useful book on the teaching of writing australian english teacher the ultimate get off your bum and do it book everything i know about writing will motivate anyone to write it s a lively funny guide to writing as readable as a novel but packed front to back with ideas and insights this new edition has one other great feature 600 extraordinary topics guaranteed to have you or your students writing before you know it everything i know about writing is the most painless way into writing ever

from john marsden the highly acclaimed and bestselling author of secret men s business comes a practical guide to help single mothers enjoy and celebrate raising their sons drawing on his years as teacher and mentor to young people john marsden follows the child from baby to young man and identifies 101 important steps in fostering a boy s developing masculinity written with humour and compassion john understands what it means to be a boy and how to help a boy grow into a well adjusted man recent statistics from the australian bureau of statistics out of australia s 4 6 million children aged under eighteen 1 1 million

children live with only one of their natural parents usually as a result of relationship or marriage breakdown the vast majority of children who had a natural parent living elsewhere were in the sole care of the parent with whom they lived while 3 per cent of children had parents who shared care more evenly between them in april 1997 there were 978 000 australian children who were living with one natural parent and who had a natural parent living elsewhere the vast majority 88 lived with their natural mother in either one parent families 68 or in step or blended families 20

you move into the most boring street in the most boring town in australia tarrawagga is a hole its only ambition is to be a crater and it has every chance of getting there the last thing you expect is to have action all around you dangerous strangers in the backyard and bullets flying past your ears at your new school everyone thinks you re the biggest loser in grade 6 little do they know when they realise the truth teachers and students alike are in for the shock of their life funny gripping and full of surprises the year my life broke could be the most real book your read this year warning this book is not a fantasy it contains no superheroes wizards dragons time travel aliens or magic

compulsively readable new york times somewhere out there ellie and her friends are hiding their country has been invaded everyone they know has been captured their world has changed overnight and now their band is divided kevin and corrie are captured meanwhile ellie discovers that there are other rebels out there fighting the invaders but who are they and can they be trusted the dead of night continues this gripping story about teenagers facing warfare amid the intensity of first love would you sacrifice everything to save your country and your family fans of veronica roth suzanne collins and michael grant prepare to be hooked by the tomorrow series

even though the war is over and she is back on her family s farm ellie linton is haunted by the memories and now must discover how to find the enemy within herself in order to move on with her life

winner of australia s book of the year award set in australia and written in the form of a diary this is the tragic story of the effects of divorce and her parents anger on a young woman s life remarkable few readers will come away from the portrait of marina s ordeal unshaken publishers weekly

john marsden the award winning bestselling author of the tomorrow series has spent his life

educating kids and teenagers he is passionate about the need to prepare them in all ways for the demands of adulthood as the founder and principal of two schools candlebark and alice miller john has put his theories to the test and seen the empowering results of his methods take risks is the compelling memoir of a revered author and educator and a forthright discussion on teaching parenting and society as a whole

with tomorrow when the war began john marsden wrote the most powerful novel for teenagers ever published in this country now he has written the most powerful non fiction work ever made available to young men where steve biddulph s bestselling raising boys talks to parents and teachers secret men s business talks to young men themselves in the way that only john marsden can it sets out in direct honest language the things every young man needs to know and the things young men aren t being told young men who read this book will learn how to be strong how to be honest how to confront their fears they ll understand how to deal with men and women parents and teachers male friends and female friends they ll get a sense of the integrity that every true man needs they ll find ways to resolve problems without being destructive or self destructive they ll have their questions about sex answered in clear straightforward language as john marsden says in one way all you have to do to become a man is to stay alive physically you ll grow into a man but to become a man who is mature independent responsible and wise you ll need to do more than just have birthdays
